DOUBT THE STORY OF THE NEW MURDER.

MRS. NEW SAID TO HAVE CONFESSED BEFORE HER CONVICTION.
Eureka, Kan., March 29.—The report from Wichita of the arrest of Frank Goodell and four others for the murder of Joseph Nov, and the story of the alleged confession of a penitentiary prisoner, fixing the crime upon them, finds few believers here, where the murder of Nov created a great sensation and where the evidence against Mrs. New and Joseph Dobbs was carefully followed. When Mrs. New and Dobbs were put on trial the circumstantial evidence against them was most conclusive. It is recalled also that while the jury was deliberating upon the case, the two men who were in the room adjoining the courtroom, broke down, and in the presence of two persons confessed that she and Dobbs were guilty of the murder of her husband.

IN A TRANCE FOR TWENTY HOURS.

Joseph N. Manning, a commercial traveler, whose home is at No. 31 South Third-ave., Mount Vernon, has just had an unusual experience. Mr. Manning returned from Baltimore on last Wednesday, and on Saturday was taken ill. Physicians who were called said that he was suffering from typhoid fever. On Monday night he became unconscious and respiration apparently ceased. His family felt that the end was fast approaching, and gathered at his bedside in great grief. The case greatly puzzled the physicians. Although they could find no evidence of life certain tests convinced them that death had not occurred. For twenty hours the physicians watched the man, and he about to die. He was in a state of unconsciousness, and his heart finally became perceptible. Soon after, much to the joy of his family, Manning opened his eyes and asked for a drink of water. When he became stronger he told his attendants that he was fully conscious of every incident and that he could not remember anything of the twenty hours he lay in the trance, but was powerless to speak or to move a muscle.

BUILDING DEPARTMENT'S REPORT.

The report of the Building Department for 1898 was published yesterday. It shows that plans and specifications for new buildings were filed and acted upon during the year for \$3,889 buildings, valued at \$2,183,645, of which those in Manhattan and The Bronx were valued at \$1,878,746, in Brooklyn, \$1,066,788, and in Queens and Richmond, \$2,966,705.

REPORTED DEAN COMPANY INDICTMENTS.

The Grand Jury spent its whole time yesterday investigating the affairs of the E. S. Dean Company. The company failed in February, 1897. The principal directors were the late President, Mr. J. H. Kellum, Samuel Kellum and Myron L. Howard. It was said about the District Attorney's office that the three men were indicted, but no verification of the report could be had. The cases of the three men had hung fire in the police courts for nearly two years. A decision against them was handed down by the Supreme Court, and they were held. The Grand Jury took up the cases yesterday.

CABLE-CAR RUNS AWAY.

SEVERAL WAGONS STRUCK IN BROADWAY, AND TWO MEN HURT.

A slight delay to traffic on the Broadway cable road was caused about 5 o'clock yesterday afternoon through the "stranding" of a portion of the cable, which wound itself around the grip of Car No. 47, at Walker-st., on the northbound trip, at 4:40 o'clock. The car was in charge of Lawrence O'Connell, gripman, of No. 759 Ninth-ave. Before O'Connell was aware that anything was wrong he found that he had lost control of his car, which dashed forward at full speed toward the Canal-st. crossing, a block distant, where it was crowded with a mass of cars. Directly in front of the runaway car was a wagon belonging to Borden's Express Company and driven by Jacob Vogel, of No. 307 East Seventy-first-st. This was knocked aside in an instant, and then the car struck a wagon belonging to Porter Brothers, of No. 78 Worth-st., and a truck owned by G. W. Martens, of No. 5 Harrison-st. Each of the three wagons was damaged, but no one was hurt.

LEWIS KAHN, EIGHTEEN YEARS OLD, OF NO. 344 WEST

Seventy-seventh-st., while crossing the street, was struck by the car and received a wound on the wrist and a contusion of his knee, and Patrolman New who was driving the car, was injured.

THE FIREMEN GOT THE FIRE UNDER CONTROL AFTER

the third-alarm detachment arrived. The tenement-houses were kept out of getting up in a blaze, and the fourth floor badly damaged. It is estimated that the loss was \$2,000.

COLONEL E. V. SUMNER PROMOTED.

HE IS TO RETIRE AT ONCE—COLONEL ANDERSON LIKELY TO BE ADVANCED.

Washington, March 29.—The President to-day appointed Colonel Edwin V. Sumner, of the 7th Cavalry, to be brigadier-general in the Regular Army. EX-CONGRESSMAN MANLEY IN THE SOUTH.

ON HIS WAY TO MEXICO, HE DISCUSSES THE POLITICAL SITUATION.

Memphis, March 29.—J. H. Manley, of Augusta, Me., the well-known banker, railroad official and politician, has arrived in Memphis in his private car, with a pleasure party accompanying him. It is his intention to proceed to the City of Mexico.

WHEN ASKED FOR HIS OPINION OF THE NATIONAL

campaign, ex-Congressman Manley said he thought the Republican party was better off than he thought it was before, and that there would be few material changes in the platform. He said that to some there seemed not the slightest doubt that Bryan would be the Democratic nominee, but that he had no opinion as to whether or not he would be elected.

EXEMPTION OF ACADEMY REALTY.

President Thomas W. Woods, J. Carroll Beckwith, James D. Smith, George H. Smith, J. C. Nicoll, J. G. Brown and B. W. Clinedinst, representing the Board of Trustees of the National Academy of Design, appeared before the Mayor yesterday in the interest of a bill which provides that the real estate of the new academy, at One-hundred-and-fifth-st. and Amsterdam-ave., shall be exempt from taxation as long as it is used for educational purposes. The trustees explained that the old building at Twenty-third-st. and Fourth-ave. had been exempt under the law.

BUT THAT LAW PROVIDED THAT THE PROPERTY SHOULD

be exempt so long as the building was used for "free" education, said the Mayor. "Why is the word 'free' omitted in this bill?" he asked.

THE TRUSTEES SAID THEY DID NOT KNOW IT HAD BEEN

omitted. The Mayor told them to have the bill amended in the manner suggested, and it would be signed.

THE MAYOR WILL APPROVE.

The Mayor gave a public hearing yesterday on the Bill which gives to the Board of Estimate and Apportionment the power to add to the list of institutions entitled to receive aid from the city, and the Board of Estimate and Apportionment, at the discretion of the Board, John F. Halstead, of the Brooklyn Hospital, and Thomas D. Halstead, of the Eastern District Hospital, were present.

Inspector Donohue, fully clothed, dived after him and held him up till help came. It was timely and brave. The report was indorsed by Captain P. M. Gibson, Deputy and Acting Commissioner.
